Dear Dr. Graham:

In accordance with our telephone conversation, attached is a copy of the report of the Advisory Committee on Health Effects of Railroad Diesel Gases and Dust, which was prepared for the California Public Utilities Commission by the Advisory Committee, which is listed on the last page of the report.

A meeting of the Advisory Committee's Steering Committee has been scheduled for June 20th in Room 540 of the State Building, San Francisco, to review this report. This is for your information and file.

Yours very truly,
